

HERITAGE ROUNDTABLE

Heritage Trades: Wood & Windows

MAY 14 | DOORS 6:30 PM | EVENT 7:00 - 9:00 PM

Join us for an evening of learning and networking at our 3rd Heritage Trades Roundtable. Develop an appreciation of traditional building methods and materials. Meet some of the people who make possible the preservation and maintenance of the buildings we love. This year's focus is on wood and carpentry:

Carpenters, lumber mills & dealers industry in early Calgary – Marilyn Williams, Heritage Roundtable steering committee

The role of windows in the overall building envelope – Phil Parker, Principal of Read Jones Christoffersen and editor of the National Glazing Systems Specification Manual

Window restoration & sensitive replacement - Chelsea Dunk, Conservation Lead, Donald Luxton & Associates Inc
